Introduction

Lehigh Valley Velodrome's Rider of the Year for the past two years, Becky Conzelman is a terrific sprinter and is only in her eighth year of racing.

Personal

Becky graduated from Wyoming High School in 1990 and then received her BA in Speech Communications/Public Relations from Miami University in 1994. She and her husband Jim moved to Denver after college, as Becky took a job with the Special Olympics and tried to get noticed by the Olympic Training Center in Colorado Springs. In 2002, Jim and Becky moved to Allentown, Pa. and she currently works as a Field Representative with the Fellowship of Christian Athletes.

How He Got Here

Becky first learned about racing during her senior year in high school while watching her brother compete in the Little 500 at Indiana University. In college, she competed in a similar bike race all four years, but had her first true road racing experience when a friend encouraged her to enter a 1998 race. That same year, she was named Hawaii's Best All Around Rider and entered her first USCF race. In 1999, she was the Hawaii State Criterium Champion. She decided to try out the pro circuit after returning to the mainland in 2000. In 2001, she competed in her first track race and immediately fell in love with the discipline. Becky and Jim moved to Allentown, Pa. in 2002 where Becky found a home with the T-town velodrome.
