

CYCLO-CROSS

The tentative call-up lists below are the projected call up lists for the 2009 USA Cycling Cyclocross National Championships in Bend, OR. These call-up lists will be updated each week through the time when pre-registration ends on December 3rd. Please keep in mind that these lists will change as more people register. Please see the “Call up Procedure” page for clarification on how these lists were generated. A final call-up list will not be available until the night before each event as on-site registration will change the list as allowed on the “Call up Procedure” page. Note that these lists start with the tenth rider called to the line—please refer to the “Call up Procedure” page in reference to how the top 8 or 9 riders are determined. We will slot these riders into their correct space after pre-registration closes at midnight, December 3rd (keep in mind that means that December 2nd is the last day of registration).
