Online registration surcharges apply. **Early registration discounts apply based on registration date!**

ONLINE REGISTRATION closes 6:00pm CDT Thurs. May 16. **No race-weekend registration available!**

2013 Annual **Superdrome racing fee (\$10)** required of all racers. **Use your 2013 Superdrome Racing number.**

**Field minimum** for each category is 8 riders. **Field maximum** is 16 for Category 4-only fields, and 24 for all other fields.

Organizer may modify payouts and/or combine categories if field minimums are not met.

Schedule and race distances may be modified, or fields combined, in order to meet time constraints.

**Elite Men, Elite Women** (Open or Cat 1/2) payout on each race (at least \$250/5 places per NTC race) PLUS (\$750/7 places) omnium. Sat+Sun Omnium uses "international omnium" tabulation. Add up all 6 race places – lowest total wins. A racer is not required to start each race to continue (minimum 4 finishes). DNS or DNF in an Elite Omnium race results in a penalty toward Omnium standing per USAC Omnium rule.

**Non-Elite (Amateur, Novice, Masters, Juniors):** Texas cup points awarded on each race. Omnium based on Texas Cup- points scored. **Cash-out rule** allows a non-elite rider in top 3 after Saturday racing to cash out at 33% (rider ineligible for Sunday payout).

**ONE-KNOWN DISTANCE™ RACE** is an "Unknown distance" race with the exact distance selected by the winner of a prime scored within the first 1.5km. The chosen distance will be known only to the prime winner and the officials until the bell lap.

**Match Sprints, PURSUIT TT and KILO/500m TT** races are open to racers of any category (Men's Open and Women's Open)
