Qualifiers: Racers qualifying in to the Amateur Finals nighttime event need to check-in and pick up a new number either immediately following the completion of their category's race, or at the downtown registration table starting 5:00 PM. Any category 5 racers in the JRS 15-18 race that place in the top 5 cannot race in the Amateur Finals.

Category 1 Racers: Riders either registered in the morning 1/2 or Master's categories that are category 1 will only be allowed to race in the Amateur Finals event (if they qualify) and will not be allowed to register for the Men's Pro/1 inv. 2 race. Essentially, category 1 riders will only be permitted to race the morning race/Amateur Finals or the Men's Pro/1 inv. 2 event.
