REGULATIONS:

All MudFund Derby City Cup UCI events shall be held under the 2013 UCI Regulations. All other categories shall be held under USA Cycling regulations.

PARTICIPATION:

- Junior Women 17-18 may compete with the Elite Women provided they possess a valid UCI international license.
- Junior Men 17-18 may NOT compete in the Men's Elite competition and must hold a valid UCI license for the UCI inscribed races.
- The category to which a license-holder belongs on 1 January of the civil year following will be used for his participation in events for the whole season. In other words, a riders age for all categories is determined by his/her age on December 31, 2014.
- All UCI Elite Men, UCI Junior Men, and UCI Elite Women must possess a current UCI international license.
- For all other categories (OVCX), a USA Cycling license is required.

START ORDER:

UCI ELITE– Women & Men

- UCI rule 5.1.043: The start order for UCI races will be determined by the order of latest published UCI cyclocross point classification from the highest to lowest, as posted on the UCI website (www.uci.ch). If no classification has yet been published for the current season, the start order will be determined by the final UCI individual cyclocross classification from the previous year.
- Riders with zero (0) UCI points will be able to draw their own number up to 3 hours before the race at registration each race day. After the 3 hour time riders that have not picked their number will be automatically assigned a random start number by registration staff and witnessed by UCI official.
- With ten minutes to start, the Race Announcer will begin introducing, in the UCI Men's race, the first two rows (16 riders), and, in the UCI Women's and Junior Men's race, the front row (8 riders).
- UCI Riders are advised to report 15 minutes before their respective start.

UCI ELITE – Junior Men

- As per the most recently published UCI cyclo-cross individual classification for the current season for the category concerned. If no classification has yet been published for the current season, the start order will be determined by the final UCI individual cyclo-cross classification for the previous season. After all UCI Classified riders, Start Order for Junior 17/ 18 riders will be determined by drawing lots one hour before the race. Each Junior Rider will be allowed to draw their number based on their order of registration. The number drawn will be their Bib / Start number. They will be called up in numerical order. Riders not present when their name is called for the drawing will draw last.

ALL USAC (OVCX) Cycling Categories (Men, Women, Juniors, Masters, SingleSpeed, Etc.)

- In order to encourage early pre-registration and consistent OVCX event participation, starting row positions will be based on both rider ranking and pre-reg.
- First row for each wave (as many as 8 positions) are reserved for top 8 OVCX series wave leaders in current standings. Ranked riders must be pre-registered for event to earn call-up spot. Next riders are staged by their Crossresults.com ranking - all riders pre-registered up to the 2 Sundays out prior to the race date. The remaining staging is done by Crossresults.com rankings - all riders pre-registered after the 2 weeks out period and then staged by ranking. Race day registrants are staged last.
