* A rider's 2013 racing age, according to UCI 5.1.001 The category to which the license-holder belongs on 1 January of the civil year following will be used for his participation in events for the whole season; or in other words, a rider's racing age for all categories is determined by his/her age on December 31, 2014.

*All Elite Men, U-23 Men, and Elite Women must possess a current UCI international License.

Start Order:

2. Unclassified riders: by drawing lots.

Riders that do not have points will be able to draw their own number up to 3 hours before the race at registration. See hours and location of registration in the Tech Guide. After the 3 hour time riders that have not picked their number will be assigned a random start number by USGP registration staff and witnessed by the UCI official.

At the Start, D.B.C. staff will determine how many rows will be cordoned off and all riders, those ranked and those unranked, must remain behind this cordon. With ten (10) minutes to start, the Race Announcer will begin introducing, in the elite men's race, the first two (2) rows (16 riders), and, in the elite women's race, the front row (8 riders). These top riders will be introduced in the Finish Area and then proceed to the Start Area Grid to fill in their respective rows. Simultaneously, USGP staff will call-up the remaining rows of UCI ranked riders. Riders are advised to report 15 minutes before their respective start.

Per UCI regulations rider call-up is a maximum of ten minutes before the start. If riders are not present with 10 minutes to start and miss their call-up, they will lose their start grid position.
