Dear Supercross Cup Racers, Sponsors, and Spectators,

Due to construction, and the remote possibility of hurricanes (.....) for 2013 our event has moved, to Anthony Wayne Recreation Area, exit 17 Palisades Interstate Parkway, Stony Point, NY.

Googlemaps directions to

venue: <https://maps.google.com/maps?q=Anthony+Wayne+Recreation+Area,+Palisades+Interstate+Parkway,+Stony+Point,+NY&hl=en&sl=42.746632,-75.770041&sspn=6.857109,15.644531&oq=anthony+way&t=h&z=17&iwloc=A>

NEW for 2013.. "Race all day" pass for \$55. Our new format allows for many racers to race multiple times for one low price. Race as many categories as you are eligible for!

How does it work?

If you want to race:

1 race in a day: sign up like normal.

2 races in the same day: sign up like normal. Bikereg will automatically discount you so you are charged \$55.00 for the day

3 (or more races) in the same day: Pick the Saturday or Sunday day pass, register, then use the "Contact Event" link to send us your USAC # and your race choices.

Please note - the UCI\Elite races are not eligible to participate in the day pass.

Thanks again,

The Supercross Cup Team

Helmets are mandatory for all fields. Eye protection strongly encouraged. USAC license required for all fields, UCI license required for UCI sanctioned fields. Licenses will be available on site (\$10 USAC one-day, \$60 USAC annual ). Mountain bikes without bar-ends permitted. No aero-bars permitted. Single speeds (with brakes) are permitted - however fixed gears are not permitted. . We reserve the right to combine fields.

#### **Registration:**

Online at <https://www.bikereg.com/Net/supercross-cup-2013-uci-c2-c2-weekend> Pre-reg closes Nov 21 at Noon EST, add \$10 after.

Please note, our new event format will allow for most racers to race at least twice per day.

Day of registration available and closes promptly 15 minutes before your race. \$10 fee for day-of registration, **so pre-register on BikeReg!!**
