2016 TRACKNADO

RACE RULES

The 2016 TRACKNADO is a UCI Track Calendar event and will be run under UCI rules. As per UCI rules riders participating in this event can garner points towards their individual and country UCI ranking. The points are based on the UCI track status of each event, which is in turn are determined by the number of countries competing. The promoting organization retains the right to change the program, with the approval of the Panel of Commissaries, due to weather or other unforeseen circumstances.

SPECIAL NOTE TO MASTERS

As this event is on the UCI Elite Calendar – Master you compete will not be eligible to enter the Masters World Track Championships per UCI 3.9.001. Riders must hold a valid 2016 UCI International racing license to compete in this event. Riders who carry a 2016 USA Cycling racing International license must have a track category of 1 or 2 for Men and 1 to 3 for women.

ANTI-DOPING

This is a UCI sanctioned event and all anti-doping will take place under the rules guidelines of the UCI. It is the riders and team manager's responsibility to understand these rules.

Riders must hold a valid 2016 UCI International racing license to compete in this event. Riders who carry a 2016 USA Cycling racing International license must have a track category of 1 or 2 for Men and 1 to 3 for women.
