USA Cycling license required for amateur races, UCI or USAC International license required for UCI races. ECCC races may race on collegiate only licenses. One-day licenses can be purchased at registration for \$10. Pre-registration is available online through BikeReg.com until Thursday, November 16th. Online service fee based on Bikereg.com standard service fee rates applies. \$1/rider surcharge has been added for use of Rockland Community College indoor facilities. Day of registration will be available from 7am until ½ hour before scheduled start time for all fields; a \$10 day of registration fee will apply.

Pre-registered riders will be seeded in the start grid per NECXS regulations. Riders registering after pre-registration closes will be staged in the back of the grid. The promoters will have final say on the seeding of all riders.

Neutral service provided by SRAM. Mountain bikes without bar-ends are acceptable for amateur races. Helmets are required at all times during the weekend and jerseys must have sleeves (no tank-tops or vests). **There is no warming up on the course during races.** Please follow the instructions of the officials when allowed to warm up on the course. Please report to the staging no later than 10 minutes before the start of your race; staging will start no later than 5 minutes before the start of each race, and riders who miss their call-up risk losing their spot in the grid.

Google/GPS Address: 145 College Rd, Suffern, NY. Parking is in large lots nearby the staging area.

For more information on the race weekend, log online to <http://www.supercrosscup.com> or contact Myles Romanow by e-mail at [ilovetoracecross@gmail.com](mailto:ilovetoracecross@gmail.com) or by phone at 631-255-9568.
